

THE BOOK OF MIRACLES

Written by: Francine Fosbury Jacobs

Photographs by: Virginia Jenner

The Book of Miracles was written to commemorate 25 amazing years of S.M.I.L.E.S. and all the remarkable accomplishments that have been achieved as a result of their equine assisted learning and therapy programs. The book is chock-full of true stories – many of which were beautifully and tenderly written by the riders themselves.

It is a heartfelt tribute to each and every person who has ever entered the doors at S.M.I.L.E.S.
